

BIBLES BY THE THOUSANDS are shown as Secretary Kay Bartter checks over part of more than 8000 Bibles in use at the giant "It is Written" Christian Crusade at the Los Angeles Memorial Sports Arena which closes today, Sunday, April 28th. The scriptures, all

identical and worth more than \$40,000, are given free to those attending. Sponsored by the Southern California Conference of Seven-Day Adventists, the Crusade has drawn an attendance of more than 100,000 since it opened March 30.

Sermon Topic Told

"Probation After Death" will be the subject of this week's Sunday service at First Church of Christ, Scientist—Torrance.

The opening Scriptural passages will be from the Sermon on the Mount: "Blessed are the poor in spirit; for their's is the kingdom of heaven" (Matt. 5:3).

Related readings will include these lines from the Christian Science textbook: "Willingness to become as a little child and to leave the old for the new, renders thought receptive of the advanced idea."

Gladness to leave the false landmarks and joy to see them disappear, — this disposition helps to precipitate the ultimate harmony." ("Science and Health with Key to the Scriptures" by Mary Baker Eddy, p. 323).

Smith to Attend R. C. Conclave

Nathan Smith, 26426 Ozone Ave., Harbor City, is one of Harbor College's three delegates to the three-day spring Red Cross College conference which ends today at Antelope Valley Inn, Lancaster.

The annual conclave, designed to orient collegians on their important role in Red Cross, is being attended by 60 representatives of 18 colleges and universities in the Los Angeles area.

WEEK IN SPORTS

West High Trackmen Set Four New School Records

By Greg Sciarrotta

Track meets and baseball captured the attention of Torrance highschoolers this week as several events of major importance took place here.

Four new records were set by West High School as thincladlers there participated in a triangular meet with Lawndale and Lennox West's outstanding hurdler, David Lee, took both the high and low categories with times of 15.4 and 20.7.

Miler Ron Peterson made school history with his time of 4:43.4 and Steve McConaty's pole vault of 11'6" registered similarly in the record books.

Final score in the meet was Lennox, 65; West, 56 2/3; Lawndale, 6 1/2.

In intricacy competition, South overran North 54-49 this week. League finals are set for May 3, at Mira Costa.

Other oval action saw J. Knox again victorious, this time against Torrance High, 55-49. League finals will be held at Beverly Hills May 3.

South High's baseballers punctuated their Santa Monica game with eight errors, and in doing so, dropped a contest to the host Vikings, 8 to 3.

Steve Farber; Dick Rosato and Dan Ely had hits. San-

Sewing Circles

By BECKY SCHAEFFER

As a service to the sewing club and to this column, and for the purpose of keeping you informed on the best and newest in sewing materials, I have visited our local stores and am tremendously impressed not only by the array of fabrics and notions available, but by the sincere desire for public service which these merchants offer.

Far from discouraging in favor of ready made articles, there is a genuine effort to give you what you want and need for sewing.

While visiting the Penny's Del Amo store, as the guest of Mr. Seiersen, I was given a number of extremely valuable pamphlets for the use of my club, which are loaded with facts and in formation about materials and interlinings available everywhere. Church or service groups may acquire them without cost. There also are film clips on advanced tailoring methods which I hope to borrow for our sewing club.

If you are planning to take up the needle and thread, there is no reason why it should be a lonely adventure. The cards are stacked on your side.

Patterns are no longer baffling bits of holed tissue, but are marked clearly and accompanied by excellent "blueprints" which you will find amazingly easy to understand.

Beginning next Wednesday, this column will offer instruction on "how to do it" as well as keeping you up on the latest materials available.

Details of how to cover belts and buttons, suggestion for altering patterns, how to adjust a dress form (and the kinds of forms available to you), discussion

of new and conventional materials for particular kinds of sewing projects, and practical application of attachments will comprise only a part of what we hope to offer you.

Your questions are welcome, as a guide to what you would like to see included.

HINT FOR TODAY
Many women complain that sewing tires the back. The reason is probably that the sewing machine table is too low. There are two alternatives for remedying this.

Your sewing machine can be fitted with the longer legs readily available in hardware stores, or if you have a portable, it can be placed atop a desk and raised slightly with a piece of old carpeting or a bath towel, which will also eliminate vibration.

Bowman Joins Law Firm Here

Larry Bowman has joined the Torrance firm of Newborn & Hitchcock in the general practice of law.

Bowman, a resident of Torrance, has lived in the South Bay area for eight years and attended local schools including Harbor and El Camino colleges.

A graduate Magna Cum Laude in 1962 at Southwestern University, he was admitted to the California Bar in January, 1963.

Bowman has been an accountant for the past seven years and is a former controller of Houston-Fearless Corporation's Torrance Division.

He has two children, and his wife is active in the Nativity parish Mother's Club and Hickory PTA.
